

**Hello, my dear, the time is near,  
St. Patrick's Day will soon be here!**

**From clover fields and rainbows bright,  
I've traveled far, both day and night.**

**Though you won't see me as I pass through,  
I'll be leaving leprechaun luck for you!**

**With a whisper of magic and shimmer of gold,  
A sprinkle of luck will gently unfold!**

**So let kindness shine and spread some cheer,  
May laughter dance both far and near!**

**When St. Paddy's arrives, I'll be on my way,  
But the luck that I leave you will always stay!**

**May joy and good fortune fill all your days,  
With sunshine and rainbows lighting your way!**

**With a sparkle of gold & a rainbow's hue,  
Your tiny friend, twinkling true,**

**With Love,  
Lucky McRainbow the Leprechaun**
