

# ELF ON THE SHELF TIC-TAC-TOE

## How About A Game Of Tic-Tac-Toe?

At the North Pole, we call this Treat-Tac-Toe!

It's played just like Tic-Tac-Toe.

To play game, cut out the board & markers.

You go first, make your first move with a marker or pen.

When your not looking, I'll make my moves!

Warm Wishes, Your Elf

P.S. You can also just play a family member!
