

EARTH DAY MINDFULNESS

Protecting Our Planet, Finding Our Peace.

**I love and care
for our Earth.**

**I grow with
natural wonder.**

**I nurture life
like a seed.**

**I flow gently
like a river.**

**I shine with
positive energy.**

**I breathe clean,
fresh air.**

**I stand strong
as a forest tree.**

**I reduce, reuse,
and smile.**

**I believe in a clean,
bright future.**
