Thanksgiving Tongue Twisters

Ten tiny turkeys
tapped on tables!

Helpful hands
heap hearty harvests.

Piles of pumpkins
peek on porches!

Crisp, crunchy corn
crackles in the kettle!

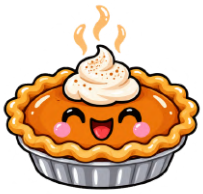

Breezy leaves blow
beyond the barn.

Plump potatoes
pile on pretty plates.

Gravy goes glug in the
gray gravy boat.

Warm pies wait
while we play.

Savory stuffing
steams beside squash.

Silly squirrels stash
small snacks.

Happy harvests bring
big blessings.

Thankful friends fill
full tummies!
